SCANCERCO 1976–2026

Partnership to build excellence.

SCANCERCO

Scancerco 1976–2026

Juhlistamme tänä vuonna puolen vuosisadan mittaista taivaltamme maahantuojana, jakelijana, tukkukauppana sekä tuotteiden valmistuttajana.

Yritystarinaamme mahtuu kolmen yrityksen konsernirakenne (Scancerco Oy 1985–, Scanfinn Oy 1976–2017 ja Biobe Oy 1999–2017) sekä sen purkaminen ennen kotimaisen perheyrityksen siirtymistä itävaltalaiseen omistukseen vuonna 2017. Uuden omistajan myötä Scancerco sai joukon saman toimialan sisaryrityksiä eri puolilta Eurooppaa osana VBH-konsernia. Yhteinen omistuspohja tarjoaa entistä laajemman valmistajaverkoston asiakkaidemme auttamiseen ja heidän tuotetarpeidensa täyttämiseen.

Scancercon puolen vuosisadan mittainen yritystaival ei olisi ollut mahdollinen ilman tuotevalmistajia ja -valmistuttajia sekä heidän laadukkaita tuotteitaan. Kiitämme lämpimästi yhteistyöstä ja kumppanuudesta!

Scancercon 50-vuotinen matka on ennen kaikkea yhteinen tarina asiakkaidemme kanssa. Ilman heidän luottamustaan, yhteistyötään ja vuosien varrella tarjoamiaan mahdollisuuksia emme olisi siinä, missä olemme tänään.

Juhlavuotemme kunniaksi nostamme asiakkaamme valokeilaan ja jaamme heidän kokemuksiaan ja näkemyksiään juuri sellaisina kuin he ovat ne meille kertoneet. Sydämellinen kiitos luottamuksesta ja kumppanuudesta! Olette tärkeä osa Scancercon tarinaa. Yhdessä rakennamme tulevaisuutta myös tulevina vuosikymmeninä.

Tähän kuvakirjaan on koottu osa tuotetoimittajistamme, omat tuotemerkkimme sekä asiakaskokemuspalautteita, joita saimme kesällä 2026.

Scancerco 1976–2026

This year, we celebrate half a century of our journey as an importer, distributor, wholesaler, and product sourcing partner.

Our company history encompasses a three-company group structure (Scancerco Oy 1985–present, Scanfinn Oy 1976–2017, and Biobe Oy 1999–2017), as well as its subsequent dissolution before the Finnish family-owned business transitioned to Austrian ownership in 2017. Under the new ownership, Scancerco became part of the VBH Group and gained a number of sister companies across Europe operating within the same industry. This shared ownership structure provides access to an even broader network of manufacturers, enabling us to better support our customers and meet their product needs.

Scancerco's 50-year journey would not have been possible without our product manufacturers and sourcing partners, and the high-quality products they provide. We warmly thank them for their long-standing cooperation and partnership.

Above all, Scancerco's 50-year journey is a shared story with our customers. Without their trust, collaboration, and the opportunities they have given us over the years, we would not be where we are today.

To mark our anniversary year, we are putting our customers in the spotlight and sharing their experiences and insights exactly as they shared them with us. Our heartfelt thanks for your trust and partnership. You are an important part of the Scancerco story. Together, we will continue building the future in the decades to come.

This commemorative book features a selection of our product suppliers, our own trademarks, as well as customer feedback gathered during the summer of 2026.
